

Prof. Zhu Zuoyan Meets with Principals of the University of Aberdeen

On Jan. 10, 2004, Prof. Zhu Zuoyan, Vice President of NSFC met with Prof. C. Duncan and Prof. Houlihan, Principal and Vice Principal of the University of Aberdeen, UK.

Ms. Bai Ge, Deputy Director-General of the Bureau of International Cooperation, NSFC, first gave a brief introduction about NSFC, its international cooperation and exchange and its cooperation with the UK in the past few years. Then both sides exchanged their latest development in life science research. During the discussion afterwards, a preliminary agreement was reached that the Life Sciences Department of NSFC

would sign a 3-year agreement with the University of Aberdeen about the exchange visits of doctors, post-docs and young researchers between two sides.

After the meeting, a tour of the video conference hall in NSFC and the Sino-German Center was arranged. Prof. Du Shengming, Deputy Director-General of the Department of Life Sciences, NSFC, Prof. Nie Pin and Prof. Xie Shouqi from the Institute of Hydrobiology, CAS, and Prof. Meng Anmin from Tsinghua University also attended the meeting.
