

Prof. Zhu Zuoyan and Prof. Wang Jie Met with Director of IIASA

On Oct. 31, 2005, Prof Zhu Zuoyan and Prof. Wang Jie met with Prof. Leen Hordijk and his wife.

On Oct. 31, Prof Zhu Zuoyan, Vice President of NSFC, and Prof. Wang Jie, Vice President of NSFC, warmly welcomed and hosted a dinner in honour of Prof. Leen Hordijk, Director of International Institute for Applied Systems Analysis (IIASA), and his wife in the Zhongzhi Nursery Garden. Prof. Hordijk first briefed NSFC research progress of IIASA in 2005, then both sides reviewed the collaboration after China became a National Member Organization (NMO) of IIASA in 2002. They all expressed their satisfaction with the current status of collaboration and looked into perspectives of future collaboration. Prof. Hordijk also visited Tsinghua University, Energy Research Institute of the State Commission of Development and Reform, China Institute of Atomic Energy, China Population and Development Research Centre, School of Management of Xidn Jiaotong University and so on, and gave 4 academic lectures during his visit.
