	total	RMB	Total	CDN \$

## B. Project Details (see Funding Opportunity)

### B1. Project Abstract (not to exceed this page)

## **B2. Project Description (not to exceed a total of 5 pages)**

- detailed description of research project including objectives, background, literature review, proposed experiments, complete description of methodologies that are applicable, and a work plan showing individual tasks and responsible institutions
- statement describing the importance of proposed project
- description of the collaborative arrangements between participating institutions defining general responsibilities and tasks assigned to each participating institution
- description of any planned workshops or symposia with clearly defined goals and expected outcomes
- explanation for the necessity of a China-Canada collaboration in order to realize the project goals (i.e. what are the unique strengths and skills that the Chinese and Canadian collaborators bring to the project).
- overall responsiveness to the criteria outlined in the Funding Opportunity Details under the section “Peer Review Process and Evaluation Criteria”

### **NOTE:**

\*The 5 page limit does not include references, tables, charts, and figures. Please attach your five page project description as the space below does not expand.

\*This five page attachment must be formatted according to CIHR guidelines. <http://www.cihr-irsc.gc.ca/e/29300.html#Attachments>

**B3. Project Schedule and Milestones (not to exceed this page)**

List the key milestones (including planned exchanges of researchers). Describe the critical steps in the realization of the project objectives and expected timeline.

A large, empty rectangular box with a black border, intended for the user to list project milestones and describe critical steps and timelines.

**B4. Biographical sketches (CV) of the Chinese Project Leaders**

Include name, academic degree (title, year obtained, organization obtained) field, a list of 10 major publications of the past 5 years and a list of grants held and applied for. For Canadian Project Leaders, Common CV must be used: <http://www.commoncv.net/>

\*If it is not possible to insert this information within the application form itself, we ask that you include this information in an attachment formatted according to CIHR guidelines. <http://www.cihr-irsc.gc.ca/e/29300.html#Attachments>

**Chinese Project Leaders**

**B5. Continuation of the collaboration (not to exceed this page)**

Do you intend to continue the collaboration beyond the conception of the project? Please indicate the sources of funding, which are in place, or which you will seek, for project continuation.
